

# OnePath Life (NZ) Limited Notice of Rating Change

PURSUANT TO section 69 of the Insurance (Prudential Supervision) Act 2010, OnePath Life (NZ) Limited gives notice that on 20 December 2018, Standard and Poor's (Australia) Pty Limited downgraded OnePath Life's financial strength rating from "A+" (strong) to "A" (strong).

OnePath Life is a subsidiary of Cigna Corporation. The revision reflects Cigna Corporation's recent acquisition of Express Scripts. Standard and Poor's action does not indicate any weakening in the stand-alone credit profile of OnePath Life, it is now equivalent to the ratings of Cigna Corporation.
